

2012 pureCoz

- Appellation:** Napa Valley
- Composition:** Cabernet Sauvignon 40%, Cabernet Franc 20%, Merlot 20%, Petit Verdot 10%, Sangiovese 10%
- Winemaking:** Punched cap fermented following de-stemming. Each lot aged in French Oak barrels 39 months prior to blending, then bottled.
- Tasting Notes:** pureCoz is moderately rich and intense ripe and complex proprietary red wine blend with warm and well integrated tannins. It exhibits intriguing aromatics of clove, currants and a touch of sage. A wine of elegance and complexity showing depth in the mouth. boysenberry pie flavors with hints of plum and spice that finishes very polished. Stylistically it shows familiar elements of Meritage and Super Tuscan wines.
- James Suckling notes "I like it subtlety and finesse . . . fine tannins and refined finish" 91 points
- Special Note:** This wine since its inception was designed to be more versatile when it comes to food matchups as Meritage's are, but with an additional almost magical fourth dimension due to the added Sangiovese. It also includes the rarest of Cabernet Sauvignon clones in this Country, which is the Secret Clone, which migrated from Italy. This is the first pureCoz with Petit Verdot included in the blend. This vintage has already gathered notice with a score of 91 points prior to release!
