Couples & Co. is a product of pureCru Napa Valley, an ultra-premium winery.

Champion golfer **Fred Couples** and award-winning winemaker **Mitch Cosentino** have teamed up to form **Couples & Co**, a wine brand that celebrates a shared Italian heritage and fine, limited-production wine.

After an in-depth tasting of preliminary blends with Cosentino in 2008, Couples knew he had found the right partner.

“We are producing limited production wines designed to accompany fine world cuisine. But wine that also works artistically and stands on its own.” *Mitch Cosentino*
