

2012 MC Signature Cabernet Sauvignon

- Appellation:** Napa Valley (100%)
- Composition:** Cabernet Sauvignon 84%, Merlot 12%, Cabernet Franc 4%
- Winemaking:** Each lot was punched cap fermented and barrel aged for 39 months in selected French Oak and then blended before bottling.
- Tasting notes:** Black cherry, black currant mineral and spice in the nose. These notes carry onto the palate. It is rich, and well structured, brightly balanced and intensely varietal accented by spice. It finishes as a sturdy wine with a fine texture, long and complex.
- Special Note:** This is our first MC Signature Wine. It is a special designation for wines given more aging time to better express its unique characteristics. It does include some of the rare Secret Clone Cabernet in this blend.
