

2017 SANGIO VETTA NAPA COUNTY

Composition:

81% Sangiovese, 13% Petit Verdot, 6% Cabernet Franc

Winemaking:

Each lot was hand-picked and destemmed where it was fermented and then aged individually, primarily French and eastern European oak barrels for over three years then blended about a month prior to bottling. It is released when it is considered ready for tasting, much like a Brunello. Historically this wine from its hillside vineyard has a potential for developing and complexing for up to two decades.

Tasting Notes:

Pomegranate, rhubarb, and clove dominates the up front. Big structured and intense. Notes of pomegranate, plum with ripe tannins and mineral characteristics. Brunello style, polished and balanced with depth and a long aging future. Production is 400 cases

Specs:

Alc: 15.1%

TA: 0.6%

pH: 3.37

RS: 0.13%
