

2017 ROSSO LODI

Appellation: 100% Single Vineyard Mohr-Fry from Lodi.

Composition: 89% Sangiovese, 11% Alicante

Winemaking: The fruit was picked very early in the morning and delivered in the morning hours to our Napa facility for fermentation and subsequent aging in both new and mature oak barrels from France, America and Hungary for 38 months to allow the wine to fully develop, grow and complex.

Tasting notes: Supple body and balanced fruit notes of classic berry and black cherry come to life both aromatically and flavor-wise on the palate.

Special Notes: This wine represents a personal choice for everyday enjoyment. I have been sourcing grapes from visionary growers Jerry and Bruce Fry since the 90's who are dedicated to producing pristine fruit from their vineyards with exceptional quality being more important than overall yields.

Alcohol: 14.6%

TA: 0.56%

pH: 3.40

RS: 0.07% (very dry)

Mitch Cosentino, Winemaker
