

2018 PURECOZ RED WINE NAPA VALLEY

Composition:

62% Cabernet Sauvignon, 13% Merlot,
13% Cabernet Franc, 12% Petit Verdot

Winemaking:

Punched cap fermented following de-stemming. Each lot was aged separately in French oak barrels for 40 months prior to blending and bottling.

Tasting Notes:

Aromatics of red and black fruits come forward with mineral notes followed by floral scents. In the mouth, ripe red currants, pomegranate and bitter cherries with complex spice and minerals aromatics emerge in layers. PureCoz is an intense and complex proprietary red wine blend from grapes of Bordeaux origin. The expansive black fruits, cherry and clove accented with well-integrated tannins and a complex yet subtle oak frame make this a finely structured wine of elegance and depth. Stylistically, it shows familiar elements of Bordeaux, including a bright balance and refined finish.

Special Note:

Since its inception with the 2006 vintage, this wine was designed to be very versatile in terms of food matchups, as Meritage wines tend to be. This may be the one of the most versatile red wines I have made in over 40 years of winemaking. It also includes the rarest of Cabernet Sauvignon clones in this country, the Secret Clone, which migrated from Italy.

Mitch Cosentino, Winemaker
