

MC SIGNATURE CABERNET SAUVIGNON 2019 NAPA VALLEY

Composition:

82% Cabernet Sauvignon, 7% Merlot,
7% Cabernet Franc, 4% Petit Verdot

Winemaking:

Fermented primarily with hand-punched caps in one-ton T-Bins, the wine was then barreled down and aged for 40 months in French oak—an approach that's increasingly rare in today's winemaking world. The final blend was composed from individually aged lots several weeks prior to bottling.

Tasting Notes:

Aromas of cassis, cherry, and clove lead the way. This bright, full-bodied wine showcases red currant and spice notes with a subtle floral lift, balanced by mouthwatering, ripe tannins and a palate-pleasing hint of pepper. Nicely textured and complex in structure, it finishes long and vibrant. The blend includes a portion of the extremely rare Secret Clone from the original vineyard.

Alcohol: 14.8%

TA: 0.68%

pH: 3.32

RS: 0.06% (very dry)
