

2019 RESERVE CABERNET FRANC NAPA VALLEY

GOLD MEDAL

Dan Berger's International Wine & Cider Competition

Appellation:

100% Cabernet Franc (St. Helena and the eastern hillsides).

Winemaking:

The fruit was hand punched-cap fermented in one ton lots and then barrel aged for 40 months in selected French oak barrels then blended prior to bottling.

Tasting Notes:

Clove and black fruits with a hint of pepper for complex aromatics. Black currants and rich barrel notes fill the mouth with an almost exotic framing. This is a big well structured, full bodied, dense wine of great depth and a long finish.

Special Note:

This is the 15th Reserve Cabernet Franc with fruit from the great Carpenter vineyard. It is also the 7th edition for PureCru Winery. It for those who have followed Mitch Cosentino Francs going back to the mid 80's. A continuing classic from the wine-maker with the longest history of making this grape in California. Only 100 cases were made of this wine.

Alc: 14.8%

TA: 0.58%

pH: 3.52
