

2019 PURECOZ RED WINE NAPA VALLEY

Composition:

50% Cabernet Sauvignon, 25% Petit Verdot,
17% Merlot, 8% Cabernet Franc

Winemaking:

Punched cap fermented following de-stemming. Each lot was aged separately in French oak barrels 40 months prior to blending and bottling.

Tasting Notes:

As the wine opens, scents of red and black roses emerge, followed by ripe currants and cherries with a subtext of spice and mineral aromatics. pureCoz is a rich, intense, complex proprietary red wine blend from grapes of Bordeaux origin. In the mouth it is expansive with black fruit, cherry and clove accented with well integrated ripe tannins and a complex, yet subtle, oak frame. This finely structured release shows elegance and depth with broadness across the palate and exacting balance. Stylistically, it shows elements of Meritage and Super Tuscan wines, including a bright, refined, polished finish.

Special Note:

Since its debut with the 2006 vintage, this wine has been crafted to be an extraordinary food companion, as Meritage wines tend to be. This is one of the most versatile red wines I have made during my 44 year wine-making career and it also includes the rarest Cabernet Sauvignon clone in the US, the Secret Clone, which migrated from Italy.

Mitch Cosentino, Winemaker
